

**Media Advisory: Stafford Township Police Department and 'Ring' Invite Residents to Launch Event for Subsidy Program May 15<sup>th</sup> 6-8pm**

*Initiative aims to reduce crime in neighborhoods by investing in affordable and effective smart home security for residents*

**Stafford Township, NJ – 4/30/19** – The Stafford Township Police Department today announced its partnership with Ring and details for the upcoming launch of a joint subsidy program that will provide discounts for local residents who wish to purchase select home security devices. With funds from the Stafford Police Foundation and the Stafford Township PBA Local 297 along with matching funds from Ring, the \$40,000 program will enable 400 verified Stafford Twp. residents to receive a \$100 discount code to use towards the purchase of select Ring security devices. The subsidy program will kick off with a launch event on Wednesday May 15, 2019 at the Stafford Township Municipal Complex where eligible residents may attend in-person and participate in the program on a first-come, first-served basis.

**WHAT:** Ring Subsidy Program Launch Event

**WHEN:** May 15, 2019 from 6pm-8pm

**WHERE:** Stafford Twp. Municipal Complex

**WHO:** Representatives from Ring & Stafford Township Police invite local residents to join them for a launch event for the new subsidy program with opportunities to;

- Register for the subsidy program (registrants must be Stafford Township residents with a valid form of ID & copy of a utility bill).
- Learn more about Ring security devices, ask questions & purchase products on-site.
- Purchase eligible devices and select accessories on-site.

Residents are encouraged to review full program details included below and refer to eligible product details, FAQs and other information available on [Ring's website](#) prior to attending the launch event.

Residents will not have the option to RSVP in advance and are encouraged to arrive early and prepared via the instructions below.

**For questions about the Ring subsidy program, please email Officer Chris Fritz at [cfritz@staffordpolice.org](mailto:cfritz@staffordpolice.org)**

**###**

**About the Subsidy Program**

The subsidy program will incentivize the purchase of Ring Video Doorbells and Ring security devices that connect to a user's mobile device via the free Ring app ([iOS/Android](#)). Residents are then notified when the device's motion sensor is activated or if someone rings their Doorbell; they can also choose to view the camera's live video feed at any time. Optional video subscription services are available for purchase to residents who want to save their Ring recordings to view or share them at a later time.

**Stafford Township Program Details and How to Participate**

- The subsidy program will open to Stafford Township residents who attend the kick-off event with proper documentation on 5/15/2019 from 6pm-8pm
- Residents must attend the kick-off event in person and provide a valid form of Government ID and a copy of a utility bill in order to verify residency and receive their subsidy discount info on a first-come, first-served basis.
- Discounts will be provided to confirmed residents and applied by a Ring team member at checkout towards the purchase of eligible Ring products at the event. Only credit card purchases will be accepted, no cash or checks.
- Stafford Township residents will have the opportunity to purchase the following devices with \$100 off the retail price:
  - Video Doorbell 2
  - Video Doorbell Pro
  - Spotlight Cam Solar
  - Spotlight Cam Battery
  - Spotlight Cam Wired
  - Floodlight Cam
  - Stick-Up Cam Battery
  - Stick-Up Cam Wired
  - Ring Alarm Security Kit (5-Piece)
- *Ring is also offering \$30 off additional security devices with a maximum of two (2) per household, and 20% off accessories. Visit [Ring's website](#) for product descriptions and specifications.*
- Residents will also need to pay an additional subscription fee if they would like to save device footage or sign-up for the alarm monitoring service. For more information about Ring's products, please visit [Ring.com/products](http://Ring.com/products).
- If the subsidy does not sell out during the kick-off event, the City will post an application form to their website allowing other residents to participate until the program funding limit has been reached.
- Eligible residents will be sent a set of codes redeemable only on Ring.com at 3pm PT daily Monday-Friday, excluding holidays.

**How to Fix It**

Ask the owner of the group to grant you permission to send to the group, and then try to send a message again. If the group belongs to a different organization than yours, contact the organization's customer service department for assistance. If the group is in your organization and you don't know who the group owner is, you can find it by doing the following in either Outlook on the web or Outlook:

- Open your Sent folder, and then select the original message.

- If you're using Outlook on the web, select the group name located on the To or CC line. If you're using Outlook, double-click the group name on the To or CC line.
- In Outlook on the web, from the pop-up dialog box, choose Owner. In Outlook, choose Contact. The owner's name is listed under Owner.

The owner of the group may have intentionally chosen to restrict who can send messages to it, and they may not want to adjust the existing restriction. In this case, you'll have to contact the group members by some other means, such as sending an email message to their individual email addresses or contacting them by phone.

This error occurs when the owner of the distribution group or security group has set up the group to accept messages only from certain addresses. Even a group owner may not be automatically granted permission to send messages to the group.

To fix this issue, the group owner must add the sender's address to the group's allowed senders list. Usually this issue can only be fixed by the group owner.

## Success on Ring Neighbors Portal

Ring Neighbors Portal Team <neighbors-portal@ring.com>

Thu 4/4/2019 3:44 PM

To: Christopher M. Fritz <cfritz@staffordpolice.org>

Shortly after receiving **over 50 video submissions** through the **Neighbors Portal**, an arrest was made on a burglary suspect through the collaborative efforts of the **Rolling Meadows Police Department** and neighboring agencies.

Last month, a resident's Ring device captured a person trespassing on his property. The homeowner immediately shared his video on the **Neighbors App** and contacted the Rolling Meadows Police Department. The Rolling Meadows Police Department saw it as a great opportunity to request additional recordings through the **Video Request** feature on the **Neighbors Portal**. One video recording in particular stood out which led to an arrest.

## Ring Portal Introduction

Anthony Modestine <anthony.modestine@ring.com>

To: Timothy Cunningham <tcunningham@staffordpolice.org>; Stephen Fessler <sfessler@staffordpolice.org>; Christopher M. Fritz <cfritz@staffordpolice.org>; David McVey <dmcvey@staffordpolice.org>; Justin Pascale <jpascale@staffordpolice.org>; Herman Pharo <hpharo@staffordpolice.org>; Drew Smith <dsmith@staffordpolice.org>; James Vaughn <jvaughn@staffordpolice.org>

Good Afternoon Stafford PD Team,

I would like to introduce myself, my name is Anthony Modestine and I will be Stafford PDs new Account Manager moving forward between the Ring<>Stafford Partnership. We made the change due to the fact that I am actually located on the East Coast(Philly) which should be better if anything important comes up. If anyone has any questions about the Portal feel free to reach out to me directly @ [Anthony@ring.com](mailto:Anthony@ring.com) or my cell 610-220-5432.

I also wanted to touch base and make sure I provide everyone some quick best practice tips especially about commenting.

### Portal -Neighbors Feed

1. The Neighbors Feed is the most **IMPORTANT** part of Portal.
2. The more your team comments and sends out LE Post the more your community will engage with you on it. (ex: They will upload and share more content. Want to share videos when they receive a Video Request Email, etc )
3. I recommend that everyone that has access to Portal is to try and comment on Neighbors Post as often as possible. This is great for your community to see names of the entire Stafford PD interacting than just one officer.
4. Commenting can be anything from: Thanks for Sharing!, We will have our team look into this or you can provide some sort of safety tip!
5. The more you engage with your community the better success you will have with Portal!

Don't forget to share you Department Download and Text link! The more people that download the Neighbors App from your Specific link the more Ring Doorbells we can provide you to hand out to the community!

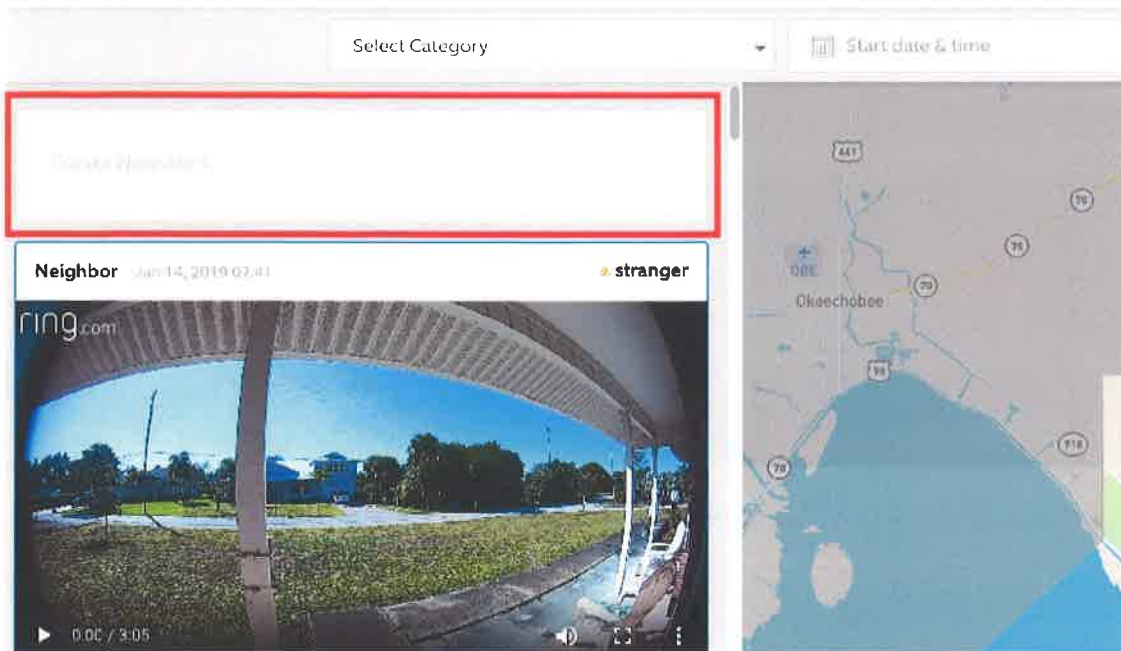

**Download link:** [download.ring.com/stafford](https://download.ring.com/stafford)

**Text Link:** Text staffordpd to 555888

Thanks again and I look forward to working with you all!

### POSTS

How to create a Post:

- Best practice is to post at least 1x/week to notify nearby users in real time of PD's crime & safety posts
- Neighbors App **only** shows crime and safety posts in civilians' news feeds
  - Unlike Facebook, Nextdoor, and Twitter which show friends' content, job posts, furniture selling and ads in their newsfeeds
- Suggested crime & safety content: Video Request posts, **Booking Report**, **#Lockitorloseit**, **#9pmroutine**, Wanted Person, safety announcements, safety tips, BOLOs, Requests for Identification, etc.
- Can include a photo or video

## VIDEO REQUESTS

A Post should always be created alongside a Video Request. Template for Post:

*Subject: [Video Request] Please submit any helpful evidence*

*Location: [address of incident]*

*Description: On [Date] a crime was committed in the area of [location]. You may have received an email from us requesting captured video that can help solve this case. Please check your email. If you have any evidence (video, photos, etc.) that may help, please share with us by sending any relevant footage to [detective email address].*

Thanks again for speaking with me, as mentioned Stacey Cooke CC'd in this email would be the best person to speak with about the Subsidy program.

Stacey - Officer Fritz is from the Stafford Police Department in New Jersey who were just onboarded onto the Portal last month. Officer Fritz is very interested in learning more about the Subsidy Program. Are you able to connect with him and provide more details on what the subsidies entail of?

Thanks!

### **The Stafford Township Police Department Joins 'Neighbors' by Ring to Provide Users with Real-Time, Local Crime and Safety Information**

*Neighbors aims to reduce crime in neighborhoods by connecting people, security cameras and law enforcement.*

**Stafford Twp., NJ 2/22/19** - The Stafford Township Police Department today announced that it is joining the Neighbors app by Ring (available via iOS/Android here: <https://download.ring.com/stafford>) to provide the Stafford Township community with real-time, local crime and safety information. The Neighbors network already has millions of users and has been instrumental in catching package thieves, stopping burglaries, and keeping neighborhoods safe.

Residents can download the free Neighbors app, join their neighborhood, and use the app to: monitor neighborhood activity; share crime and safety-related videos, photos and text-based posts; and receive real-time safety alerts from their neighbors, local law enforcement and the Ring team.

"We are excited to bring the concept of Neighborhood Watch into the 21<sup>st</sup> Century in Stafford with the Neighbors app by Ring. With the popularity of app-based security on the rise, neighbors are now able to upload and share safety information and potential criminal activity with one another and with law enforcement", Stafford Police Chief Thomas Dellane stated. "The Neighbors app will allow our Officers and residents to communicate and work together in keeping our neighborhoods safe and solving crime".

Jamie Siminoff, Chief Inventor and Founder of Ring, said: "We're excited to have the Stafford Township Police Department join Neighbors to keep their community up-to-date on local crime and safety information. Over the past few years we have learned that, when neighbors, the Ring team and law enforcement all work together, we can create safer communities. Neighbors is meant to facilitate real-time communication between these groups, while maintaining neighbor privacy first and foremost. By bringing security to every

neighbor with the free Neighbors app, the Stafford Township community can stay on top of crime and safety alerts as they happen.”

### How It Works

- Download the Neighbors app on iOS and Android here: <https://download.ring.com/stafford> or by texting “staffordpd” to 555888 from your smartphone.
- Opt-in to join your neighborhood.
- Customize the geographic area you want to receive notifications for (users must verify where they are located and cannot participate in other neighborhoods).
- Receive real-time alerts from your neighbors, local law enforcement and the Ring team that inform of crime and safety alerts as they happen.
- View local crime and safety posts via a live feed or interactive map.
- Share text updates, photos and videos taken on any device, including Ring’s home security devices.
- Work with your community to make neighborhoods safer.

### About Neighbors

Neighbors is a neighborhood watch app that provides real-time, local crime and safety information. Download the free Neighbors app (iOS/Android), join your neighborhood, and use the app to: monitor neighborhood activity; share crime and safety-related videos, photos and text-based posts; and receive real-time safety alerts from your neighbors, local law enforcement and the Ring team. Download Neighbors (iOS/Android) today to join your digital neighborhood watch. For more information visit [www.ring.com/neighbors](http://www.ring.com/neighbors).

### About Ring

Ring's mission is to reduce crime in neighborhoods by creating a Ring of Security around homes and communities. Ring is an Amazon company. The Ring [product line](#), along with [Neighbors](#) by Ring, enable Ring to offer affordable, whole-home and neighborhood security devices and services. Hello Officer Fritz

Do you have availability later this week or early to complete the final steps of onboarding? I want to make sure we can get your agency moving forward as soon as possible. Please let me know what works best for you,

Dylan Judson

Officer Fritz,

I just invited you to the neighbors portal we have built for your team. I wanted to follow up and see if there was a date that worked for your team so we can get you up and running on the platform. I want to also make sure that we can send out an announcement with our PR coordinator at the same time.

Please let me know,

Dylan Judson

Perfect, found it just wanted to make sure we had it sorry for the confusion. In regards to the actual onboarding date I still have availability to do Monday the 11th at 1pm EST. What I want to do is make sure to get you and your team in touch with Morgan Culbertson our PR director so we can have the press release go out at the same time as the training.

What are your thoughts?

Officer Fritz,

Thank you for your time last week!

Recap below as promised:

#### **1. Onboarding/Training**

**a) Target Date: Beginning of February (2/11-2/12)\***

**b) Suggested Schedule:** A remote onboarding which will take up to an hour and a half. I suggest targeting a time in the early parts of the afternoon where we can have the group that will be operating the account there for a screen share training session. It is a train the trainer model so we will make sure to go over any questions or concerns moving forward.

**c) Invite Template:** Below is some language that can be used to invite users to the training.

*"Team,*

*We will be partnering with home-security company [Ring.com](https://www.ring.com), to utilize a platform they've created specifically for law enforcement called the "Neighbors Portal". [Here's a quick video](#) explaining how it works.*

*The Neighbors Portal will allow us to post and comment directly to the Neighbors App, send out real-time crime and safety alerts, and request footage from Ring users for investigative purposes.*

*Ring will be joining us on [Date] to train our department on the tool so please keep an eye out for a calendar invite."*

**d) Final Headcount** - I will follow up with you 5 days before the scheduled onboarding to finalize a total headcount with you as we'll need enough time to assemble and ship the training packets so please keep this in mind!

## **2. Portal Requirements**

**a) Shapefile** - I'll need a shapefile of your jurisdictional boundaries in order to create the portal (GIS format preferred but we should be able to convert most). Please send that over at your earliest convenience.

**b) Chrome Access** - Once the portal is created, I will invite as the first user to test your agency's access on Internet Explorer. Once I work out with him which browser it will need to be I'll send you an invite to be an admin.

c) **Beats Map** - Please send over a Beats map of the jurisdiction so we can create the areas for your portal.

d) **User Provisioning** - Attached is an Excel doc outlining what info is needed to set up users in portal. Please add everyone that would potentially need an account and send it back to me before onboarding day. Accounts will NOT be provisioned until after the the on boarding and I'll be confirming the final user list with you before doing so. Please let me know if you have any questions on this!

### 3. Miscellaneous

a) **Distributing Donation Units** - Below are some ideas from what other agencies have done:

**1. Raffling off devices at community events** by verbally telling attendees to text your code to 555-888 (which texts them your attribution link) and having them download the app on the spot. Winner must show you the app on their phone to redeem their prize. (80 downloads from 100 people in the room = 4 more donation devices). This code will be created and sent out to you prior to on boarding.

**2. Donating directly to homeowners** who have been burglarized or domestic violence victims who have active restraining orders filed.

**3. Donating directly to a crime-related non-profit** like your local Crime Stoppers program for them to distribute.

b) **Seed Units** - To see the program initially we will be sending you 5 devices to start. I'll be sending them to your attention and will follow up with a tracking link once I receive it. Can you confirm that they should be sent to:

260 E Bay Ave  
Manahawkin, NJ 08050  
United States

c) **Driving app downloads** - I will be following up with a specially targeted download link and text code to send out into your community.

Please call 720-835-5111 PIN 51441 to join this conference.

We're excited to move forward with our partnership and discuss your upcoming onboarding process!

I would like to schedule a call to introduce your account manager Dylan Judson who will be conducting your onboarding / training and supporting you moving forward.

We will also introduce Morgan Culbertson, our PR Coordinator who will be supporting our joint efforts to publicize the partnership and encourage growth of the Neighbors app.

On this call we will introduce your Account Manager Dylan Judson and our PR Coordinator Morgan Culbertson (both copied on this email). We ask that the following be part of the call (if they are unable to be on the call, it's imperative they be at the onboarding - we understand the same person may fill more than one role.

1. Partnership POC - main point of contact(s) for the Ring partnership
2. Press/Media Coordinator - typically the PIO who would work with Morgan from our team to coordinate the initial partnership announcement and ongoing PR moving forward
3. Social Media Coordinator - person(s) in the department who manages comments on Facebook, Twitter, NextDoor, etc
4. Investigative Coordinator - your resident expert when the department wants to send a video request. This person will be trained on best practices for ensuring the maximum participation and sharing of video.
5. Community Relations Coordinator - person who oversees the team that interfaces with the community at events, HOA meetings, Neighborhood Watch meetings, etc.

Again, it would be ideal to have all these folks on the call but essential to have them present at the actual onboarding. Involvement by each of these groups is essential for active community participation (specifically on video requests) and overall long-term success of the partnership.

Hello,

I am a technology reporter for CNET, and I'm working on a story regarding Amazon Ring and the Neighbor program that police departments across the country have been joining.

At the International Association of Chiefs of Police Technology conference today, representatives from the Chandler Police department said that it received 25 free cameras from Ring for joining the program -- and was offered a free camera for each person in the community who signed up for the app.

I saw that Stafford's police department partnered with Ring recently, and I wanted to see if this was the same situation. I also know that Stafford's police recently offered a subsidy program that Ring matched, and I'm hoping I can learn more about it.

I'd like to see see how officers have been using the Neighbors app to protect their community. Please let me know if you'd be interested in talking.

Just as a friendly reminder don't forget to post to the Neighbors Portal about your upcoming subsidy this week. I would make a post every day and target a different address leading up to the event!

Also, let me know if you are interested in doing a Portal refresher with others from the department that did not attend the first webinar onboarding.

Hi Officer Fritz,

My name is Amy Forliti, a reporter with The Associated Press. I'm working on a national story about police departments around the country who are partnering with Ring or other doorbell camera companies to offer subsidies to homeowners.

I see Stafford Township is launching a partnership like this, and I'd like to learn more about it. Are you the best person to speak with? If so, please let me know the best way to reach you, or feel free to call me at the number below. If not, please let me know who I should speak with about this program.

Thanks so much,

Amy Fortiti, AP-Minneapolis

That's amazing, glad your department played a part in getting him off the street!

Thanks for sharing, I love hearing about success stories and this one was perfect timing as your subsidy is right around the corner. This should bring a ton more excitement that day.

Thanks again and I will hopefully see you next week at the event.

Hello Anthony,

Yes, that is the RING video posted. The video definitely helped identify the suspect for our department. The suspect was known to our department, so the video confirmed his identity to us very quickly. On our social media post, using the RING video, we had the confidence to post his name, and other pertinent information, which led to his arrest. Without RING, he would still be in the area committing more crimes.

If you need anything else, please let me know.

Thank you.

I wanted to introduce you to the Ring media team. We are so excited for the upcoming subsidy launch in Stafford. I am attaching a template of the press release which Kaleigh will be approving from the media team. Please track changes if you can and send it back to us in word format. Once the press release is mutually agreed on, you can go ahead and post this. The ideal posting date would be May 8th since the event is May 15th. We want to have enough time to promote the partnership, especially since we are launching with an event.

Please let me know if you have any questions. Enjoy your vacation.

Hey Officer Fritz,

I know how tough the Portal can be for engagement for yourself since you don't always have access to your computer. After my initial email, it definitely would be a good idea to have others engage with the community as well as yourself. This would be ideal so when you are on vacation or sick the feed is not left unattended with no interaction.

Did this stir up any conversation at all, to have others within the department help out?

Also with your Subsidy coming up on the 15th, would your department be interested in setting up a Portal Refresher earlier that day with those that did not attend the first onboarding session?

Hey Officer Fritz,

I know how tough the Portal can be for engagement for yourself since you don't always have access to your computer. After my initial email, it definitely would be a good idea to have others engage with the community as well as yourself. This would be ideal so when you are on vacation or sick the feed is not left unattended with no interaction.

Did this stir up any conversation at all, to have others within the department help out?

I'd recommend prioritizing Fessler McVey and Smith to comment as often as possible since they are at computers more often than us. Thoughts?

To solve that problem, our developers have made this a high priority for this platform to work on mobile devices. We currently do not have an exact timeline on when this will be completed though.

With this platform we want neighbors to keep this dialogue going strong and providing your department with useful information into making your jobs just a bit easier if possible. With that interaction, again you will see neighbors want to keep the conversation going knowing that your department is listening and responding to their concerns.

What I am currently seeing from a good majority of my departments is that most of the detectives are interacting with the community through the commenting section. Would your team want to try and designate maybe 2-3 detectives and Office Fritz's to be the key commenters and LE Posters on the Neighbors Portal?

Let me if what your thoughts are.

That would usually be my area of responsibility. However it's next to impossible for me as I'm RARELY at a desk to do so and when at home and off duty I have a Mac, so no google chrome. Perhaps our detectives can try to engage more but until we can access through our mobile devices it will be difficult for me. That's great news about the registrations and 24 cameras! I will post again next week and try to generate more.

Hi Stafford PD Team,

I wanted to inform you team that since your onboarding your department has generated 480 new civilians to download the Neighbors by Ring App from your specific department link!! Amazing Job!

<https://download.ring.com/stafford>  
Text Staffordpd to 555888

That is 24 new cameras I can provide your department to give away to the community!

I also wanted to also touch base as some Neighbors have been posting information into the Neighbors App that your department can see through the Portal. I wanted to make a friendly reminder that these neighbors are sharing Crime/Safety information with residents and the SPD to Reduce Crime in their Community. The more your department comments on these Neighbors Post and also send out your own LE Post to them, the more the community will want to keep engaging with you!

Is there a small group of people 2-3 that was can designate to comment on Neighbors Post?

I do recommend to keep neighbors wanting to voluntary sharing their information is if your department comments on each post a Neighbor shares to the app.

**Examples of comments can be:**

"Thanks for sharing"

"Did you file a police report? If not please call me at this number 555-555-5555"

"Hi Neighbor, Can you please give me a call to as I have some questions about your video"

"Thanks for sharing, I will inform our night shift crew of this incident"

This would be a good post your department should comment on!

Hi James and Chris,

I have just sent Chris Mulch an invite to join the Portal!

James - Just FYI, you have Admin access as well so you are able to add and deactivate users off of Portal whenever you want by following the steps below.

- 1)Go to Admin Tools
- 2)Choose Manage Users
- 3)Add User.
- 4)Fill out Officers information and Click Send!

Let me know if I can assist you guys in any other way!
